Message

Dear colleagues,
Welcome to the 7th SAARC ENT Congress hosted by the Society of Otolaryngologists (SOL) of Nepal from 25th to 27th May 2011 in Tribhuvan Army Officers Club in Kathmandu, Nepal. This gala gathering will be blessed with the presence of eminent international and national experts. The theme of the conference “Future ENT, Head & Neck Surgery in the Developing Countries” sounds very appropriate to give insight into the future perspective of our specialty in the less privileged countries in years to come. As 2011 is going to be Tourism Year, your early registration and travel accommodation arrangements will be highly appreciated. You will find many information in this leaflet. For further details please email us or visit our web: http://www.solnepal.org.np. Looking forward to seeing you in Kathmandu.
